

Online Registration for ABSA Seminars

ABSA is pleased to inform seminar applicants that there is now an online registration process for individual applicants who wish to attend one of our 13 seminars that are scheduled in various locations throughout Alberta. No longer is there a requirement that an applicant needs to download ABSA's seminar registration form, fill it out and submit it to ABSA and wait to see if you have been accepted. When you register online you will instantly know that you are registered for that seminar and you will be notified immediately as to the time and location.

Please visit www.absa.ca and press the seminars tab and follow the instructions OR you can visit <https://seminars.absa.ca/>

Regards,

ABSA-External Training
