

Find a Safety Codes Officer

In an effort to assist ABSA's stakeholders locate an Safety Codes Officer (SCO) for a specific region or vessel (A) Number, ABSA is happy to introduce a SCO search function. The search tool will allow users to find an SCO based on geographical location on an interactive map or by a search bar that allows entry of the vessel (A) Number or city/town location.

Please visit www.absa.ca and select "Looking for..." dropdown list in the top right hand corner of the main screen. Simply select "Safety Codes Officer by Vessel No" or "Safety Codes Officer by Maps" OR you can visit <http://www2.absa.ca/SCOMaps> and <http://www2.absa.ca/SCOMaps/Home/VesselSearch>
