

## **Power Engineers Employment Information Survey**

Effective July 25<sup>th</sup>, 2018, ABSA will begin collecting Alberta Power Engineering employment statistics. The purpose of collecting this information is to determine how power engineers are being utilized in Alberta and to assess the need for future development of the power engineer certification program.

The information that we collect will be used for statistical purposes and to update ABSA's internal records. The personal information that is provided to ABSA will be kept confidential. The survey may be completed online by logging into an active account on the [Power Engineer and Inspector Access](#) website or in person at the Edmonton ABSA office. For more information please contact [generalinq@absa.ca](mailto:generalinq@absa.ca).
