

## **Standardized Syllabus for the Special Steam-powered Traction Engine Operator's Certificate of Competency Examination**

The Administrator has established a new standardized reference syllabus for the Special Steam-powered Traction Engine Operator's Certificate of Competency Examination, the AB-240, Edition 2, Revision 1. This syllabus will come into effect on January 01, 2019.

Candidates that have not passed a Special Steam-powered Traction Engine Operator's Examination after January 01, 2019, will be required to write the examination based on the new syllabus AB-240, Edition 2, Revision 1.
