D. Application Processing Time and Appeals

The application review process will begin once ABSA has received a “complete” application from the applicant. An application is considered complete only when the application, supporting documentation and payment have all been received by ABSA. Application fees are **non-refundable** once the application has been submitted to ABSA; regardless of the outcome of the review.

Incomplete applications submitted without supporting documentation, or missing information required for completing the review of this application, will be closed after 20 business days. Application fees are non-refundable once an application has been closed. Applicants are strongly encouraged to only submit an application if they are able to provide a complete application.

ABSA will provide the applicant with confirmation when the review process has been completed. Please allow 20 business days for the review to be completed.

If you are not satisfied with the outcome of your application regarding certification, please follow the appeal process within 30 calendar days as mentioned on the website: www.absa.ca
