Annual Renewal of Engineers' and Operators' Certificates

All Power Engineers' and Operators' Certificates of Competency administered under the Alberta Safety Codes Act and Power Engineers Regulation (AR 85/2003) must be renewed annually on or before the anniversary of the renewal date. If you wish, you may prepay for up to a 3 year period.

The annual renewal date is the same as the **month** and **day** of issue specified on the certificate. To register, the certificate holder must submit this completed application form for **each** certificate held and payment of \$32.50 per year for each certificate. The renewal fee is retroactive.

For the following years, the certificate holder will be notified of the annual registration fee at the last address supplied. Certificate holders are required to advise ABSA in writing of any address changes.
