- All accommodation requests must be pre-approved by ABSA before the examination candidate schedules/writes an examination. Examination candidates should recognize that the failure to disclose relevant information in advance of an examination may hinder or delay the accommodation process.
- All information obtained by ABSA related to an accommodation request shall remain confidential. All documentation included with this application will be destroyed after the application has been evaluated.
- Applicants requesting an accommodation are still required to meet the requirements outlined in the Alberta Power Engineers Regulation prior to applying for an examination.
